Dear Mr. Weisberg -

Robert and I were glad to learn that you will be speaking at Hunter College on April 21. We have been looking forward to seeing you in person for some time and hope that we might be able to meet with you prior to or after your lecture - which we will make every effort to attend. If you could let us know how long you will be in New York and whether or not you could spare the time to meet with us, we would appreciate it.

Looking forward to hearing from you.

Sincerely,
Jerry Kay

P.S. - Robert Graves's book has just come out in New York. I was interested to notice that the book is dedicated in part to you as [redacted] someone who is 'always quoted but never given credit'.
